***International Program Associates Application Part II***

**ESSAYS**

Please respond to the prompts below. The essays must be typed, double-spaced, and between 250 and 500 words.

Essay 1: Anticipate a significant (nonlinguistic) challenge during your international placement. Comment on possible ways of meeting that challenge.

Essay 2: Describe the specific goals (personal, educational, professional) behind your decision to do international development.

Essay 3: Discuss how an international placement can help you as a professional in your field.
